Slide 1

Starts with rotation animation, followed by fade in of "I won't…" text, which links to next page.

Slide 2
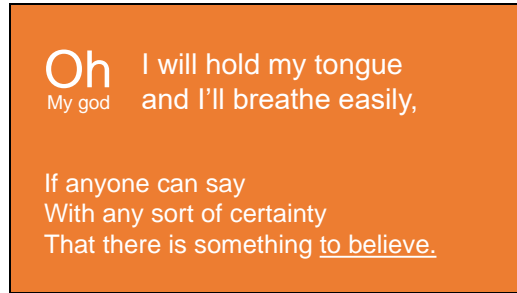

As long as they're there in time,
I won't mind,
I won't mind,
I won't mind,

Possibly add animation.

Slide 3
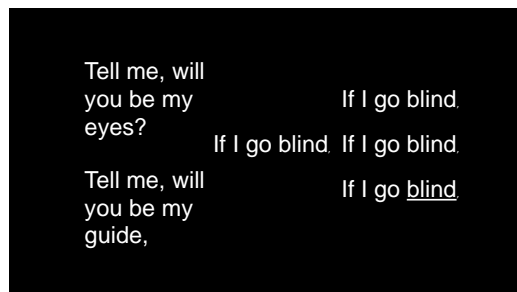

Probably trigger appearance on mouseover. After mouseover, blur filter gradually increases.

Slide 4

Oh
My god
I will hold my tongue
and I'll breathe easily,

If anyone can say
With any sort of certainty
That there is something to believe.

Animation to appear sequentially.

Slide 5

Did you every think that
We'd be three steps
From the
ledge

Contemplating awful things

And thinking about the end?

Animation?

Slide 6

Nobody Mentioned
That the pieces
wouldn't fit

You can rearrange them
all you want,

But the puzzle it was
rigged

One puzzle piece is link. Might add interactive drag and drop for pieces.

Slide 7

We swore we'd never stray,
Right before we went our
separate ways.
And now we're looking back,
We're second guessing all the
<u>choices</u> that we made.

Text fade from black to white

Slide 8

No one knows where the
soul goes when we die,
when we <u>die</u>.

Probably add animated candle flame. Maybe dynamic lighting/flickering if possible. After clicking, screen goes dark before redirecting to next page.

Slide 9

Some will say <u>the sky</u>

Some say to <u>nowhere</u>

Slide 10

It's all the same, and surely some will find it strange.
　　　　But I prefer the mysteries remain

Unexplained,

Unexplained,

Unexplained.

Slide 16

But I heard someone say
They knew that someday
That everything would fall
into its place
And everything would be
fine
